Upustite se u brodsku avanturu s domaćinom i otkrijte ljepote Posedarja i Novigradskog zaljeva iz neke sasvim nove perspektive. U ovom morskom putovanju zaputit ćemo se iz Posedarja prema Zrmanji, dok ćete u povratku imati priliku napraviti sjajne fotografije dvaju Masleničkih mostova, Podvelebitskog kanala, ali i vila koje je njemački reprezentativac Hummels dao izgraditi. Voziti se morem, biti okružen dvjestometarskim kanjonom, gledajući u najveću hrvatsku planinu vrijedno je ranjutarnjeg dizanja!

Za one najhrabrije odvojit ćemo i vrijeme za istraživanje dubina Novigradskog mora.

Zato ne zaboravite ponijeti: kupaći kostim, ručnik, kremu za sunce, sunčane naočale, kapu ili šešir te fotoaparat/kameru.

- *Polazak s rive Posedarja u 08:00h*
- *Trajanje izleta do 13:00h*
- *U cijenu uračunat lunch paket (sendvič, piće, kava, keks i sezonsko voće)*

Cijena: za odrasle 45€, 0-3 godine besplatno, 3-12 god 30€

Embark on a boat adventure with the host and discover the beauties of Posedarje and Novigrad Bay from a completely new perspective. This sea journey we will start from Posedarje towards Zrmanja, while on the way back you will have the opportunity to take breathtaking photos of the two Maslenica bridges, the Velebit Channel, but also the villas that the German national team member Hummels had built. Driving on the sea and being surrounded by a two-hundred-meter canyon while you are looking at the largest Croatian mountain is worth getting up early in the morning!

For the bravest, we will take the time to explore the depths of the Novigrad Sea.

So don't forget to bring: a bathing suit, a towel, sunscreen, sunglasses, a hat or cap and a camera.

- *Departure from the Posedarje waterfront at 08:00 AM*
- *Duration of the trip until 1 p.m.*
- *All inclusive price (sandwich, drinks, coffee, biscuits and seasonal fruits)*

Price: for adults 45 €, 0-3 years free, 3-12 years 30 €
